

## ABC's of Scriptures

Listed below are the ABC's of Scripture that we will be implementing in Children's Bible Hour. We will focus on one scripture each month. The full scripture is listed below; however since we have a wide range of ages during Children's Bible Hour we will condense the longer ones so that all the children will be able to "memorize" it. The condensed version is also shown below. We will learn these in a group setting; however if your child participates in the Lads to Leaders program, this can count towards L2L goals but your child will need to say them individually to a teacher.
